The amendment filed 1/3/02 proposes amendments to the claims that do not comply with 37 CFR 1.173(b), which sets forth the manner of making amendments in reissue applications. A supplemental paper correctly amending the reissue application is required. Additions to the claims in a reissue should be delineated by an underline and subtractions to the claims should be delineated by brackets. Amendments to reissue applications do not require the "clean copy" of the claims as with "regular" applications. A shortened statutory period for reply to this letter is set to expire ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this letter.
